Fax Number:	702-799-2235
Email Address:	bca277@interact.ccsd.net
Number of students in FY11:	394

**Del Sol High School
GEAR UP Abstract 2010-2011**

Del Sol High School serves approximately 2,300 students: 52.4% male, 47.6% female. The diverse population includes 0.8% American Indian/Alaskan Native, 11.7% African American, 6.6% Asian/Pacific Islander, 53.3% Hispanic, and 27.7% Caucasian. Additionally, 18.1% of the population is identified as LEP, 10.8% IEP, and 44.1% as Free or Reduced Lunch program.

Del Sol's school improvement goals and objectives include reducing the number of non-proficient students for AYP benchmarks in mathematics with a focus on the skills of data analysis, statistics, and probability. Nevada State GEAR UP will sustain these efforts through focused incentives and support for campus initiatives. The 21st Century Course of Study assures students are enrolled in rigorous course work. Del Sol offers a wide range of honors and AP courses including AP calculus and AP foreign language. GEAR UP supports these classes through funding for AP tests. Students enrolled in career and technical courses follow Programs of Study that require sequences of classes and culminate with an articulated college course and/or industry certification.

GEAR UP students who have the required GPA to receive a GEAR UP scholarship will take the PSAT or the ACT. Transcript data is reviewed with a counselor and used to revise Academic Plans and assure each student participates in a field trip to a NSHE campus program related to personal aptitudes and interests.

Parent events will emphasize financial as well as academic readiness for postsecondary options.

Betsy Angelcor, Principal, will provide program oversight.
