Section III

Description of Use of Funds Under Part B of the Individuals with Disabilities Education Act - 20 U.S.C. 1411(e)(5); 34 CFR §300.171

States must provide the Description of Use of Funds by completing and submitting the Excel Interactive Spreadsheet with the 2010 Application.

Describe how the amount retained by the State educational agency under 20 U.S.C. 1411(e)(1) will be used to meet the following activities under Part B. (20 U.S.C. 1411(e)(1)-(3), (6) and (7)) The Department annually identifies for States the maximum amounts that a State may retain under Section 1411(e)(1) and (2).¹ The dollar amounts **listed in the Excel Interactive Spreadsheet** by the State for administration and for other State activities should add up to less or equal to the dollar amount provided to the State by the Department for each of these activities.

Enter whole dollar amounts (do not enter cents) in appropriate cells on the State's Excel Interactive Worksheet. The Excel Interactive Spreadsheet must be submitted as part of the State's application.

Describe the process used to get input from LEAs regarding the distribution of amounts among activities described in the Excel Interactive Spreadsheet to meet State priorities. (20 U.S.C. 1411(e)(5)(B); 34 CFR §300.704)

A review was conducted of the expenditures for activities listed above that were established for use of funds in FFY 2010. New activities established for use of funds in FFY 2011 were considered and discussed among constituents. State priorities for use of funds were discussed throughout the year with Nevada's LEA special education administrators. Discussions focused on needs identified through development of the state's Annual Performance Report, and through implementation of the Special Education Focused Monitoring and Program Improvement System—Nevada's initiative to ensure procedural compliance and improved results for students with disabilities. Priorities were also identified by LEAs through individual consultation and through group discussions during bi-monthly meetings of the LEA special education administrators. Recommendations from constituents were considered and are reflected as appropriate in the state's allocations.

¹ Each State may reserve for each fiscal year not more than the maximum amount the State was eligible to reserve for State administration under this section for fiscal year 2004 or \$800,000 (adjusted in accordance with 20 U.S.C. 1411(e)(1)(B)), whichever is greater; and each outlying area may reserve for each fiscal year not more than 5 percent of the amount the outlying area receives under 20 U.S.C. 1411(b)(1) for the fiscal year or \$35,000, whichever is greater.

For each fiscal year beginning with fiscal year 2005, the Secretary shall cumulatively adjust: 1) the maximum amount the State was eligible to reserve for State administration under this part for fiscal year 2004; and 2) \$800,000, by the rate of inflation as measured by the percentage increase, if any, from the preceding fiscal year in the Consumer Price Index For All Urban Consumers, published by the Bureau of Labor Statistics of the Department of Labor.

Section IV

State Administration

Section 608(a) of the IDEA requires each State that receives funds under this title to:

- (1) ensure that any State rules, regulations, and policies relating to this title conform to the purposes of this title;
- (2) identify in writing to local educational agencies located in the State and the Secretary any such rule, regulation, or policy as a State-imposed requirement that is not required by this title and Federal regulations; and
- (3) minimize the number of rules, regulations, and policies to which the local educational agencies and schools located in the State are subject under this title.

States must attach to this application a list identifying any rule, regulation, or policy that is State-imposed (not required by IDEA or Federal regulations). If there are no such State-imposed rules, regulations, or policies, please so indicate. In addition, the State is required to inform local education agencies in writing of such State-imposed rules, regulation or policy. (20 U.S.C. 1407(a); 34 CFR §300.199)
