RE: Leadership Academy of Nevada Dual Enrollment Courses

Dear Superintendent Ebert,

Pursuant to NRS 389.160, Leadership Academy of Nevada (LANV) would like to officially request your review and approval of the attached list of Leadership Academy of Nevada's dual credit options, which was approved by Leadership Academy of Nevada's Governing Board on August 22, 2019. We are requesting approval for courses at the College of Southern Nevada.

The courses we would like approval for are replacing courses that were previously approved by our Board and the State, but are no longer offered at CSN; or a course has been previously approved, but the Laboratory Course has not yet been approved. These new courses will allow our students more options as they work towards jumpstarting their college education. We thank you for your consideration.

Please contact me at 702-358-4177 or kasey@lanv.org if you have any questions or need additional information.

Sincerely,

Kasey Eyre
Dual Enrollment Coordinator
