August 26th, 2020

Ms. Ebert, Nevada Superintendent of Public Instruction

RE: Nevada Board of Education Dual Credit Approval for the Elko County School district

In accordance with NRS 389.160, this letter will serve as the official Letter of Intent for courses being offered as dual credit with the Elko County School District for school year 2020-2021.

The Attached list of dual credit classes was approved by the Elko County School District Board of Trustees on August 25th, 2020 at the Elko County School District Central Office Building. Official minutes of that meeting are also attached. We are requesting that the State Board of Education approve the attached proposed dual credit courses during the next State Board Meeting. This approval would greatly benefit the students of the Elko County School District by increasing course offerings for our students, creates a learning environment that is conducive to college readiness, and provides an additional avenue for the attainment of College and Career Readiness graduation requirements.

Thank You,

Chris McAnany

Chris McAnany
Director of Secondary Education
Elko County School District
