Dear Superintendent Ebert,

On April 27, the Washoe County School District Board of Trustees (WCSDBOT) approved the addition of dual credit courses from colleges and universities within Nevada to be offered as dual credit courses in the Washoe County School District. Both the meeting agenda, item 2.13, and the list of new dual credit courses are included. Stated in the board report was that after the WCSDBOT approval of the dual credit courses the same would be submitted to the Nevada State Board of Education for approval per NRS 389.160.

Please consider this letter as a request to place this item on State Board of Education consent agenda for approval.

Thank you,

Bryn Lapenta, Ed.D.
Senior Director
