

## 2020-21 CTE Data Summary

### Unduplicated CTE Participants

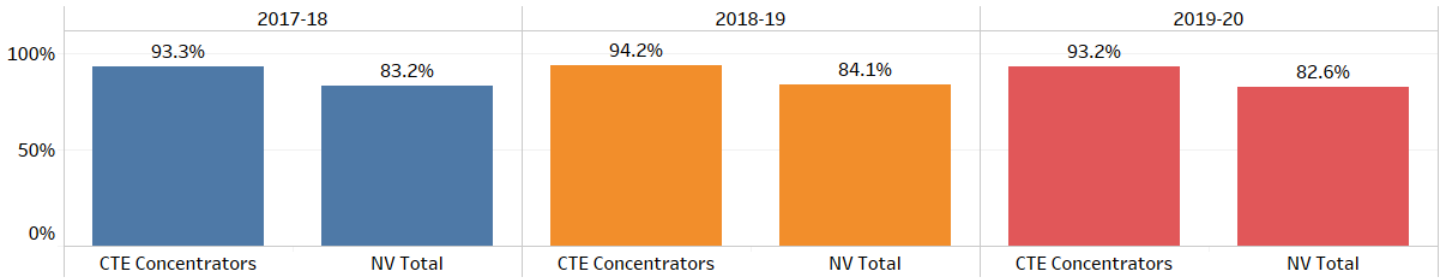

### Unduplicated, Disaggregated Enrollment

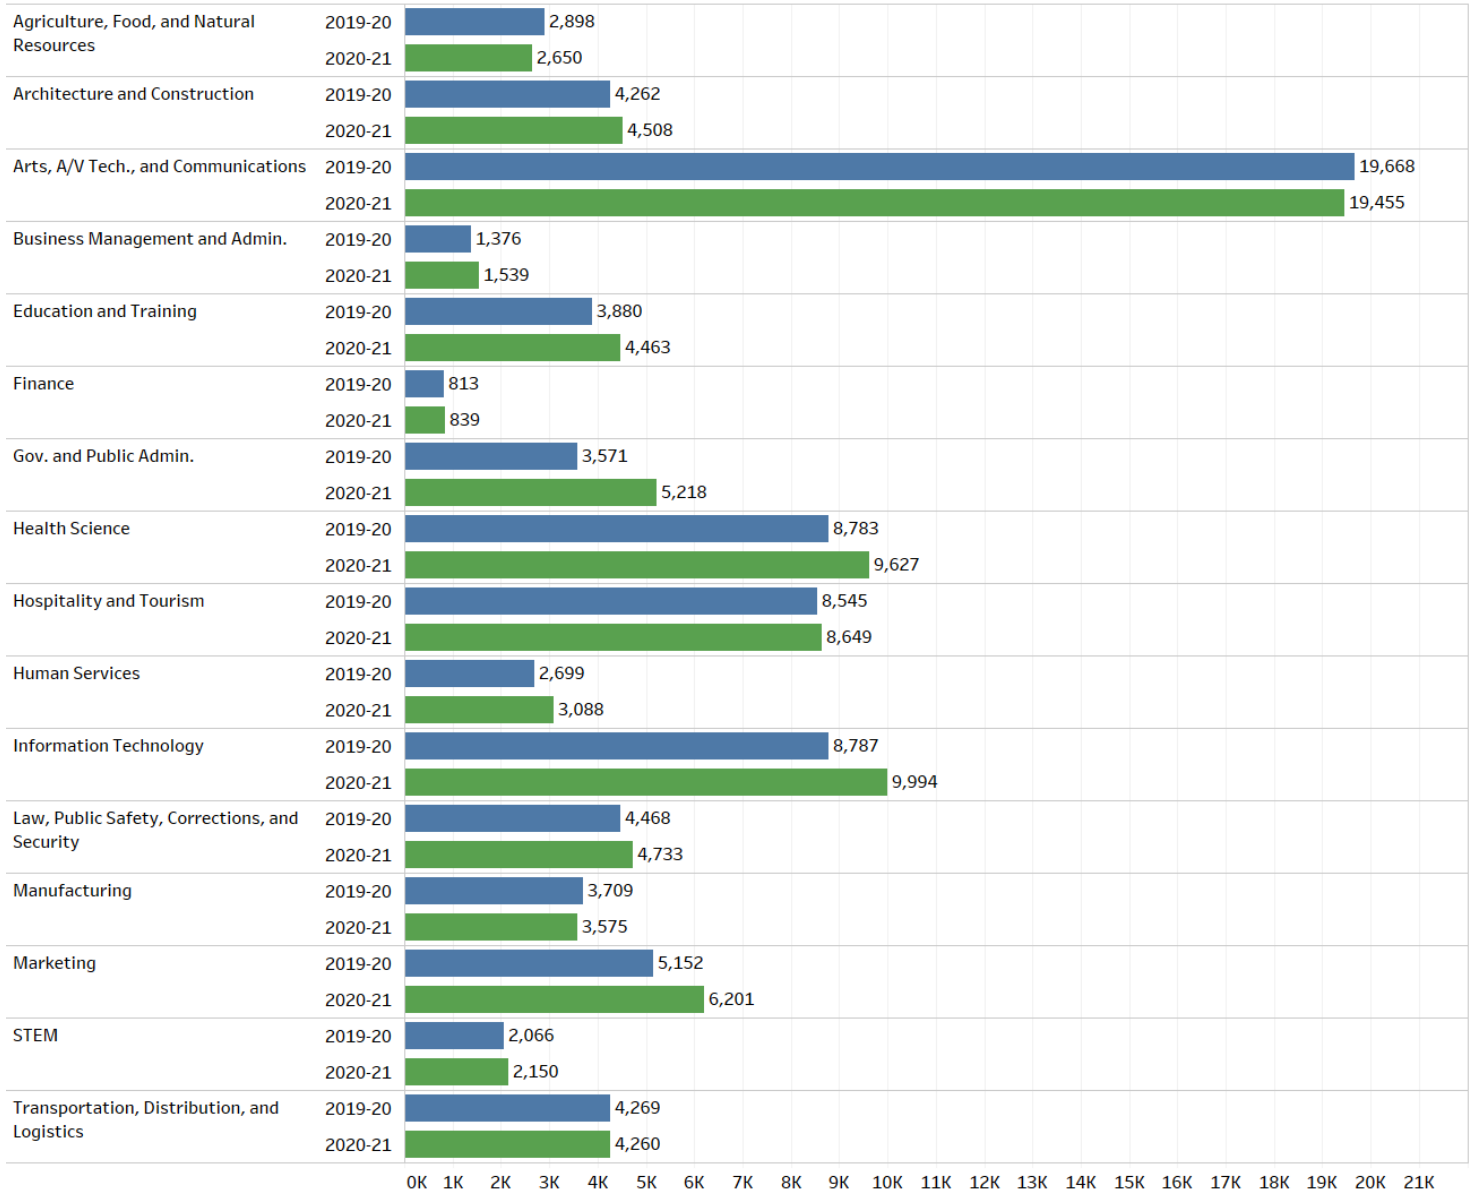

GH, 5-14-2021, Nevada Department of Education, Office of Career Readiness, Adult Learning, and Educational Options. **Note:** Enrollment consists of students enrolled in at least one course that is a part of a CTE program of study as of Oct. 1st. Enrollment in courses offered as electives and at correctional institutions is not included. Because districts engaged in innovative enrollment models for the 2020-21 year, this count includes students from districts that adopted a trimester system as well as districts that adopted a 4x4 schedule and whose active enrollment date was after Oct. 1<sup>st</sup>. CTE Concentrators are students who have taken and passed the first two courses in the same program of study.

## 4-year Graduation Rate (CTE Concentrators and NV Total)

## Enrollment by Career Cluster (contains duplicates if students were enrolled across clusters)

GH, 5-14-2021, Nevada Department of Education, Office of Career Readiness, Adult Learning, and Educational Options. **Note:** Enrollment consists of students enrolled in at least one course that is a part of a CTE program of study as of Oct. 1st. Enrollment in courses offered as electives and at correctional institutions is not included. Because districts engaged in innovative enrollment models for the 2020-21 year, this count includes students from districts that adopted a trimester system as well as districts that adopted a 4x4 schedule and whose active enrollment date was after Oct. 1<sup>st</sup>. CTE Concentrators are students who have taken and passed the first two courses in the same program of study.
