Budget Summary and Budget Overview: Verify accuracy of the budgets before submission.

1. The Budget detail and narrative portions **must** be formatted following the guidelines below.

Do not use acronyms solely unless stated in the guidelines. Use full names of items or services once in each budget narrative box, then acronyms may follow.

Plan to utilize the same name for all items on the grant application, Request for Funds submissions, and Final Financial Report (FFR) inventories, for ease in determining that the approved item is the same item being asked for reimbursement for and is the same item in the inventory.

See Nevada’s current [Federal Uses of Funds Guidance](http://www.doe.nv.gov/CTE/Grants_Home/) document for allowable uses of funds. This document can be found at: http://www.doe.nv.gov/CTE/Grants_Home/

For object codes 100, 200, 600, and 700, in each Narrative Description box, list the following information in this order:

A. Career Cluster:

- Must use the full name or the listed acronym.
- Agriculture, Food, and Natural Resources (AG); Architecture and Construction (AC); Arts, A/V Technology, and Communication (AR); Business Management and Administration (BM); Education and Training (ED); Finance (FN); Government and Public Administration (GV); Health Science (HL); Hospitality and Tourism (HT); Human Services (HU); Information Technology (IT); Law, Public Safety, Corrections, and Security (LW); Manufacturing (MN); Marketing (MK); Science, Technology, Engineering, and Mathematics (ST); Transportation, Distribution, and Logistics (TD); Middle School (MS); and/or Licensed Educational Agency - wide (AW)
- Refer to the most recent NDE CTE secondary course catalog to determine which program area a program of study falls under.

<https://doe.nv.gov/uploadedFiles/ndedoenvgov/content/CTE/Nevada-CTE-Course-Catalog-2022-23.pdf>

B. Program of Study (POS):

Secondary: Must use the program of study name published in the most recent course catalog.

Postsecondary: Must use the published name of the program used by the institution.

Agency-wide: State “Agency-wide” if activity/item serves the agency beyond a program of study/program, (e.g., Nevada Association of Career and Technical Education (NACTE) travel).

C. School(s) name(s):

- Must use the main school/site name(s) where the program is offered.
- State “Agency-wide” if activity/item is for school district, public charter school, or college.

D. Items/services to be purchased:

- Within each object code each purpose must have its own entry.
- If teachers for programs are being requested, the application/budget must identify each position, percentage (%) of Full Time Equivalent (FTE), program of study/college course, and the number of years this salary has been funded with CTE grants.
 - Funding is only allowable at the secondary level for teachers with the proper licensure endorsement to teach the program. Postsecondary instructors must be qualified to teach the subject.
 - Teacher license information needs to be included in the budget as well as in the Teacher Licensure Information Form that is submitted with the Perkins Local Application document.
 - For secondary teachers provide in the paper submission the teacher license(s) and later upload the teacher license(s) in ePAGE Related Documents section.
 - As part of the application submission for each postsecondary instructor salary, provide an assurance the instructor(s) is qualified to teach the course, note it in the budget narrative box, and following funding notification upload the assurance into ePAGE Related Documents section.
 - List the quantities and unit costs in the provided areas (e.g., when purchasing 2 FTEs: quantity = 2 – unit cost = \$45,000, not quantity = 1 – unit cost = \$90,000).

Example:

Hospitality and Tourism (HT) – Culinary Arts – XYZ High School/XYZ College – ABC Campus

1 – 100% FTE – Culinary Arts Instructor – Second year salary requested, funded last year, FY__

Name of teacher - teacher license with secondary culinary arts endorsement information provided in the Teacher Licensure Information Form submitted with the Local Formula application; or for postsecondary a note that the college instructor is qualified to teach this course(s)

- Other personnel who are directly charged in the budget must be listed by position name with a percentage breakout of administration and other.
- For general supply budgets, every item **does not** need to be itemized; however, a brief and adequate description of the kind of supplies and which program of study they are being purchased for is required. If it is not easy for an evaluator to understand how the amount requested was determined, include additional information in the budget detail/narrative. **There should be enough information to justify the amount requested.**
- **Secondary:** Consumable supplies are allowable for a first-year program. If purchasing for a first-year program separate the consumables in the list and note they are for a first-year program.
- **Postsecondary:** Consumable supplies may be purchased if no other funding source is available. Note that purchases of consumable supplies must satisfy the requirement that the cost supports activities of “sufficient size, scope, and quality”; and such purchases cannot violate the non-supplant requirement.
- Additional wording to be added to the budget narrative regarding consumable supplies:
 - o **For Secondary-**
“No consumable supplies will be purchased.”, or
“Consumable supplies are being requested for a first-year program of study.”
 - o **For Postsecondary-**
“Consumable supplies are being requested. No other funding sources are available; they will support activities of ‘sufficient size, scope, and quality’; and such purchases do not violate the non-supplant requirement.”
 - o **For both Postsecondary and Secondary-**
“Prices vary by item. This is an estimate of cost. Will not exceed requested amount.”

For Secondary Add: No consumable supplies will be purchased, or consumable supplies are being requested for a first-year program of study. Prices vary by item. This is an estimate of cost. Will not exceed requested amount.

For Postsecondary Add: Consumables are being requested. No other funding sources are available; they will support activities of “sufficient size, scope, and quality”; and such purchases

do not violate the non-supplant requirement. Prices vary by item. This is an estimate of cost. Will not exceed requested amount.

 - Provide the make and model of the desired item. If being locked into a specific item is not desired provide an example of what is desired and, add “or item with similar features and price”.
 - “**Industry standard equipment**” does not mean the same equipment used in industry. It means that students can learn the skills needed to meet the needs of industry. Therefore, less expensive items should be purchased when standards can be met.
 - For secondary programs of study see the program of study equipment lists at <http://www.doe.nv.gov/CTE/> for reference.
- List the quantities and unit costs in the provided areas (e.g., when purchasing 30 computers: quantity 30 – unit cost \$1,000, not quantity 1 – unit cost \$30,000).
