

Tests At Home

Praxis [Tests at Home](#) allows you to take your test at your home without having to go to a testing center. Testing is available from 7:00am to 10:00pm PT seven days a week.

Khan Academy

Educational Testing Service (ETS) offers the [Khan Academy](#) to assist test takers with passing the Praxis Core tests. The Khan Academy is 100% free and personalized for you to build your skills. The Khan academy will help you reach your Praxis Core goal in four steps:

1. Diagnose your strengths and weaknesses
2. Unlock your personalized practice plan
3. Practice with authentic lessons and questions
4. Make real progress towards your goal score

Candidate Webinars

Live Candidate [Test Preparation Webinars](#) are offered on a regular basis. You must register for the live webinar. Pre-recorded webinars are also available.

Praxis Learning Paths Program

ETS offers the [Praxis Learning Paths Program](#) to strengthen skills assessed by the *Praxis*[®] tests — at your own pace, in your own setting and at your convenience. Powered by ETS in conjunction with University Instructors[®], a leader in student and educator learning and training, the *Praxis Learning Paths* program offers flexible support for teacher candidates at all levels.

Accommodations

Educational Testing Service (ETS) complies with all ADA requirements for test administration. Test takers who have a disability or health related need can find [information and register](#) for accommodations with ETS prior to taking a test. Additional information is available for [accommodations offered](#) for taking Tests at Home.

Second Language

Candidates whose primary language is not English (PLNE) can find [information and register](#) for accommodations with ETS.
