PART I: APPLICATION REQUIREMENTS and GUIDELINES

A. Introduction

A learning environment that is safe and respectful is essential for the pupils enrolled in Nevada schools. This application creates the mechanism for compliance with Legislative mandate while supporting districts in efforts to meet the unique needs of their school communities. It also acts as an agreement between the LEA and the SEA for creating the conditions necessary to support collaborative and responsive partnership as we work towards having bully free schools for all students and all staff.

Applications submitted for funding should be less than \$10,000.00.
